

A horizontal number line with arrows at both ends. There are 11 points marked on the line with vertical tick marks. Above each tick mark is a letter, and below each tick mark is a number. The letters, from left to right, are: B, Γ, Z, E, Δ, ϕ, H, and A. The numbers, from left to right, are: 1, 2, 3, 4, 5, 6, 7, and 8. The points are evenly spaced, representing a coordinate system where the first point (B, 1) is the origin.
